SOIL FUME CAPS—One capsule treats one bushel of soil; five capsules, \$1.00. Enough to treat five bushels of soil for one dollar. This is one of the newest methods of soil treatment. Very easy to handle.

I have many, many other varieties available but not in large enough quantities to list. However, if you are interested in some particular varieties, please feel free to write and I will do the best I can to take care of you.

Plan to visit me and see the new and older varieties of African Violets. This will offer you an excellent opportunity to check the varieties you like best. Directions to find me: I live one block south and two blocks west of East 14th and Euclid, where Highway No. 6 and 69 cross. Home every day—Sunday, after 2:00 p.m.

* Asterisk—Cutting, ready about May 15th.

Start shipping as soon as weather is warm enough.
